Check this out

I was hangin out late, creepin a quarter to two

Polly with cats, sippin on a 40 of brew

Pulled out the Dutch Master cause it's time to get on

Turned on the truck system to pump a hip-hop song

Five minutes later I see these other kids clockin

Meanwhile my niggaz chalmed out with system rockin

Sayin in my mind -- who could it be?

As he got closer, I peeped, it was the E-Double E

I said, "Whattup Duke?"

[E] Yo, whassup Sundullah?

I have a girl and she wants me to duke her

[P] Yo, why didn't you?

[E] Yo, I woulda hit the skins

[P] That's when I chilled, and peeped the two heads in  
the Benz

Gave my crew dap, and hopped the right the fuck on in  
E-Double set it

[E] Yo P, this is Sandy and Lynn, Duke

[Parrish Smith]

I said yo, what's the deally yo? She said, "Sex, you

wanna feely yo?"

Lift her skirt with no panties, felt the familio

Lookin half filipines, mixed with black in the genes

Had to drop the windows, to release the steam

[Parrish Smith]

Shorter than short and petite, blazin ass body and  
physique

Five-doggin it, pumpin Jay-Z and Memphis Bleek

[Erick Sermon]

Burnin somethin, purple chronic, orange or thai

On the expressway, 4-9-5 L.I.

[Parrish Smith]

Straight rollin, nice from the Henny before

Shorty wanted to pull over and get a Dutch from the  
store

[Erick Sermon]

We parked the Benz, the girls got out and walked right  
in

Copped a 40 and a Dutch, and hopped right back in

[Parrish Smith]

Tried to pull off, that's when a squad car cut us off

Five-oh pulled out and said, "Chill, cause it's the law"

[Parrish Smith]  
Ayyo they caught us on a techno (techno)  
Girls started shakin, gettin petrol  
Pulled the burner 540, one shot, sunscreen's essential

[Erick Sermon]  
Straight dumpin, no love for the badge and the gun  
Straight accomplices, now our ass is on the run

[Parrish Smith]  
Now shit's drastic, dodgin and dippin traffic  
Bitches started regulatin on some flash and blast shit  
She's out the Benz with the quickness, that's when the  
shit got real  
Bitches flipped, hit PMD with the steel

[Erick Sermon]  
And asked him how it feel, jumped right back in  
grabbed the wheel  
Told the cats to relax and yo, peep the deal

[Parrish Smith]  
Remember Tommy Twotime, who used to move  
moonshine?  
Now he's a bitch nigga, frontin for cats, droppin dimes

[Erick Sermon]  
Yo time to see him, he be hangin at the coliseum  
Down on 48th and Lex, near the black museum

[Parrish Smith]  
He owe me somethin, when I see him, I'm straight  
dumpin  
Catch him four times in the legs, get close and ask him  
somethin

[Erick Sermon]  
YO WHATTUP GOD? 'Member J, from the schoolyard?  
Try to floss when I was chillin, HOLD THIS BABY PAH!

[Parrish Smith]  
I looked at E like, "Yo, this bitch is talkin like a dude"

Seen the cat across the street, she said, "It's time to move"

[Erick Sermon]

Ran up on him, he looked like he saw a ghost  
Tried to run, but J pulled out and flashed the toast

[Parrish Smith]

Toast told him to bend over, and then the girl lift her dress  
Pulled out a dick, laced him in the ass, and asked him how he liked it -- kid was cryin in pain  
'Member you raped me in the park? Peep \_The Crying Game\_

[E] Shocked, snap the hammer

[P] Aiyyo the kid fell slow

I coulda swore he said, "Yo, don't do it Jane!"
