The charge

P - For what?

E - To check your alibi

P - Must get deep and think quick, bang a set-up

Let met get my coat

E - Alright move slow when you get up

P - PT's in my crib, K9's in the front lawn

First thought's to wild, second thought to stay calm

E - You have the right to remain silent

P - Cool with the roughness, I ain't violent

Reached for his nine mil, partner started smilin

E - Shut up Mulley, turn around and keep your mouth shut

P - Peep the neighbor's starin as he reached for his handcuffs

Threw on the bracers squeeze tight to increase the pain

Thinkin to myself, damn... who killed Jane?

Chorus

Verse Two:

P - They got me downtown, starin at four walls with one  
call  
Been set-up like a roadblock, can't take a bad fall  
E - Sit up straight, state your name and your birthdate  
And your whereabouts last night about eight  
P - Slow down  
E - Slow down?  
P - Something's missing, where's my lawyer?  
Cop grilled me and said  
E - Yo there's your lawyer  
Things'll get rough so don't get tough and try to play  
games  
You're headed up North  
P - For what?  
E - You know homeboy, the death of Jane  
P - You must be insane with no brains sniffin cocaine  
And if I caught a body it'd be yours and not Jane  
E - Oh Mr. Toughy, you wish you had a nine to bust me  
I'm not a child, I don't play, my name ain't Chuckie  
P - Cop got pissed, and stepped back, then grabbed his  
blackjack  
Swung for my dome, ducked and caught my damn  
back  
E - Ooohhhh  
P - Couldn't feel the pain  
E - Whhhhhyyy?  
P - Thinkin bout the payback

Chorus

Verse Three:

P - Now it's personal so whassup?  
E - Whassup?  
P - Whatyou wanna know?  
E - Who killed Jane?  
P - OK I tell you first I gotta go  
E - Where?  
P - Check leakage  
E - Leakage?  
P - Yeah you know the john  
E - Take him downstairs and watch him make sure  
you're armed  
P - Cop grabbed me by my neck pushed me towards  
the damn door  
See my homies, locked down on the same floor  
E - So you wanna be a killer and run the streets bro?  
P - Didn't respond, just chilled to play his ego  
Stepped in the men's room, still filthy from the ill  
broom  
E - Hurry up and take a piss and stop stallin you damn

goon

P - That was the wrong move, how stupid, time to go for mine

Not glacial time, but the black nine

Gotta clear my name, been framed for the death of Jane

Must make my move now or it's ball and chain

Chorus

Verse Four:

P - With the iron, started firing, to let him know I'm serious

black, don't play hero cause all youse get is a flag and cap

E - Easy partner, chill put the gun down

P - Oh now you tryin to play me out like Homey the Clown

And you know homey don't play that

E - Play what?

\*blam\*

P - See, see?

E - Jim, come back, the mooley shot me...
