Till the moon deserts the sky

Till the all the seas run dry

Till then I'll worship you

Till the tropic sun turns cold

Till this young world grows old

My darling, I'll adore you

You are my reason to live

All I own I would give

Just to have you adore me, oh, oh, oh

Till the rivers flow upstream

Till lovers cease to dream

Till then I'm yours, be mine

You are my reason to live

All I own I would give

Just to have you adore me

Till the rivers flow upstream

Till lovers cease to dream

Till then I'm yours, be mine
