Yeah, yeah, yeah.

Listen, look what I see, it sickens me.  
To no end.  
There's people freezing out on the streets  
With nowhere to go.  
Don't take for granted what you own, no.  
Don't you know?  
Some people don't have a home.

Such a dreadful outcome  
A turn taken for the worse  
Forgotten, beaten, battered  
A life forced, no one chose.

A life not chosen, no, go.

She works so much  
She's at point break  
To save her kids  
Their worthless father ran away  
He took everything  
Now things will never be the same  
It's been bled dry  
Is this the American Dream?  
Fuck it!

Such a dreadful outcome  
A turn taken for the worse  
Forgotten, beaten, battered  
A life forced, no one chose.

We're at point break  
We're at point break  
We're at point break  
For a life not chosen

We're at point break  
We're at point break  
We're at point break  
For a life not chosen

We're at point break  
We're at point break  
We're at point break  
For a life not chosen

We're at point break  
We're at point break  
For a life not chose.
