DEAD WEIGHT...FALLS!!!.

Friends like you, who needs enemies: DEAD WEIGHT
FALLS SET YOU FREE!.

Friends like you, who needs enemies: DEAD WEIGHT
FALLS SET YOU FREE!.

Stabbed in the back, time time again.
Life goes on, learn to embrace the pain.
Dealt with so much but it was never enough.
Now you're set free, my wounds healing up.

(chorus:)

TIME TO FACE...REALITY!. Dead weight falls and it sets
you free.

CAN'T STAND THIS ATROCITY!. Dead weight falls and it
sets you free.

LET'S END THIS...HYPOCRISY!. Dead weight falls and it
sets you free.

There's nothing left, why can't you see the dead...
weight... FALLS?

Severed ties... well, are we friends?
Friends don't lie, cheat or steal.
Is that what you are? Well, it's good for you;
I'll get a knife and I'll stab you TOO!.

TIME TO FACE...REALITY!. Dead weight falls and it sets
you free.

CAN'T STAND THIS ATROCITY!. Dead weight falls and it
sets you free.

LET'S END THIS...HYPOCRISY!. Dead weight falls and it
sets you free.

With friends like you, well I now
see...who...needs...ENEMIES!.

No apologies or consideration.
DEAD...WEIGHT! DEAD...WEIGHT!.
You never pitch in... but you're always taking.
DEAD...WEIGHT! DEAD...WEIGHT!.
I've been strung along, time to cut the string.

DEAD...WEIGHT! DEAD...WEIGHT!
Dead weight falls and it sets you...FREE!
