Fuck off to nazi idea worshipping ku klux klan
preaching power
For religion,
Church is getting rich again
I say there's nothing wrong with hate, it's something i
embrace
But dont hate a fucking person cause the color of his
face
Your screaming in the suburbs a middle class brat
Sometimes i fucking wonder where your head is at
The world is full of problems
Dont blame it on the jews
I'd rather be friends with them than the fucking likes of
you

Race riot its past debate the war is on and fueled on
hate

(repeat)

There is no master race
So open up your eyes
Fuck nazi religion kkk
It's all a fucking lie

(repeat).
