Lughg!

To be such a coward is a fucking disgrace
If you got a problem with me say it to my face
Punk rock gossip reminds me of high school cliques
Well I remember high school being full of dicks

Scandalous lies gotta stop
Show some proof or just shutup
Scandalous lies gotta stop
Show some proof or just fuck off

Having that much free time must fucking suck
Piss off you worthless lying fuck
Got a lot of nerve calling yourself punk
Piss of you worthless lying fuck

Scandalous lies gotta stop
Show some proof or just shutup
Scandalous lies gotta stop
Show some proof or just fuck off

We don't need you, the scene don't need you

Scandalous lies gotta stop
Show some proof or just shutup
Scandalous lies gotta stop
Show some proof or just fuck off

Scandalous lies gotta stop
Show some proof or just shutup
Scandalous lies gotta stop
Show some proof or just fuck off
