1...2...3...Go!

Well all my life this music saved me
I can't afford no therapy
My Frustration it needs release, so cut me open and
hear me bleed
Playing Punk It Keeps Me Sane
Don't need drugs to numb the pain
It keeps me alive, I hope it helps you
I won't let your worthless America Ruin Me

NO WAY!

I'm screaming out, somebody listen, It feels so good This Therapy I'm screaming out, somebody listen, It feels so good This Therapy

I lost control and hurt myself
I knew deep down that I needed some help
That self-abuse it would not stop,
No matter how hard I tried
So I Lied And I tried to pull my life together
Am I Going Insane?
Think Again
I just Got So Fed Up With Being Unstable

NO MORE

I'm screaming out, Somebody Listen, It Feels So Good, This Therapy! [x8]

I'm screaming out!
Get Me Some Help!
