So let the truth be told, yeah,  
We got so much horror (terror)  
Robbed at gunpoint bullets for you  
Another story on the morning news  
A drug deal gone bad takes a life  
Sliced deep ear to ear by the tip of a knife  
Blood flow drowns his final breath  
You took his life but you got your fix

So you pray to God, you pray for help.  
Why won't he save us all from this hell?

Have faith in the holy father  
His brutality scared your daughter  
13 is the unlucky number  
Suicidal dreams that she now harbors  
Pray for life as your condemned to hell  
Revenge comes and haunts you in your cell  
As you're raped think of blood and tears yeah  
Not even god can save you here (hahaha)

So you pray to God, you pray for help.  
Why won't he save us all from this hell?

Why can't you see such tragedy? (Such tragedy)  
Depressing reality.  
Just look around, why can't you see?  
It sickens me to no end  
All the hatred, injustice, dishonesty,  
It's all I see, such tragedy.

I share none of that pride  
That part of me has long since died  
A generation on the brink of destruction  
A world saturated in corruption  
You think this is the American dream?  
You must be sound asleep  
I toss and turn through this wretched nightmare  
I'm one of many forced to suffer

So you pray to God, you pray for help.

Why won't he save us all from this hell?

Why can't you see such tragedy? (Such tragedy)

Depressing reality.

Just look around, why can't you see?

It sickens me to no end

All the hatred, injustice, dishonesty,

It's all I see, such tragedy.
