we do this for ourselves
and we do this for all of you
it's just the four of us doin what we do

oi! oi! oi!

you don't like what we're doing
you can fuck off
if you don't like what you're hearing
then you don't applaud

oi! oi! oi!

so fuck all of you, fuck your callous ways
society doesn't care what we have to say
so fuck all of them, fuck their careless ways
the lower class is unseen, & its time we had
our say

oi! oi! oi!

lower class fights to survive
make just enough to get by
don't let system bring you down
some day our time will come

oi! oi! oi!
