Wars, walls, tumble and falls
Time, change, clouds and rain
Through it all, I will stand
Come what may, um hmm
Throw in the towel, not today
Cuz where there's a will
There's a way, whoa

[1] - I'm gonna hold
Hold on, hold on, hold on
I'm gonna hold
Hold on, hold on, hold on
Until the finish
I'll be strong

Oceans, strong winds, hills and mountains
Sacrifice, paying the price, yeah
Struggle all your life
Through it all, I will stand
Come what may, yes I will
Throw in the towel, no not today
Cuz where there's a will
There's a way, whoa

[Repeat 1]

I see tomorrow will surely come
And I'm gonna be the first to see the sun
Throw in the towel, not today
Cuz I know that where there's a will
There's a way, whoa

[Repeat 1]

[Repeat 1 while:]
On the highway, and the bi-way
If I just hold on
I'mma make it there someday
Through the storm and through the rain
You can knock me down
But I'm gonna stand again

Yes I will
Running on this track, hey
If I keep my pace, hey
I can see the finish line
I'm gonna win this race Hey, hold on, hold on
