Oh baby , If I could Explain the joy I feel

Oooh If I could explain the joy I feel
All this love makin is oh so real
Oooh like winter time by the fireplace
Oooh like trapped in walls and its no escape
Oooh like a precious jewel with no price tag
Oooh like waterfalls comin' down on me
Oooh like tidal wave comin' from the sea
Oooh like a favorite scene in a big movie

You wanna know how I feel just like that,
just like that baby (Ooooooh)
You wanna know how I feel just like that,
just like that baby (If you wanna know)
You wanna know how I feel just like that,
just like that baby (Ooooh Just like)
You wanna know how I feel just like that,
just like that baby

Oooh like you and me makin' history baby
Oooh like a 99th annervirsary
Oooh like a baby when it speaks its first words
Oooh like an uplifting song the first time heard
Oooh like a shelter when the storm gets ruff
Oooh like a mountain top from the bottom up
Oooh like an expensive suite at the best hotel
Oooh like a work of art when its unveiled

You wanna know how I feel, just like that,
just like that baby (like that)
You wanna know how I feel, just like that,
just like that baby (oh oh oh oh oh, If you wanna know)
You wanna know how I feel, just like that,
just like that baby (just like that yeah)
You wanna know how I feel, just like that,
just like that (Ooooh)

Oooh like a great blu skys on a summer day
Oooh like sittin close in a small cafe
Oooh like makin love to someone you love

Oooh like breakin up then makin up
Oooh like a warm embrace when you come around
Oooh like the sweetest words when your feelin down
Oooh like lost inside of a mascarade
Oooh like a celebration in a big parade
Oooh like a secret told to the one you trust
Oooh like kissin you in a all white tux

You wanna know how I feel, just like that,
just like that baby (If you wanna know)
You wanna know how I feel, just like that,
just like that baby (Just like that, If You wanna know)
You wanna know how I feel, just like that,
just like that baby (Just like that)
You wanna know how I feel, just like that,
just like that

Like the moon, yeah when it glows at night,
and like the sun oh yeah when it shines real bright ,
and just like the ocean when the well comes high,
Like an eagle when it soars the sky
