[Chorus]

There can only be one me(can't nobody can't nobody
do your body like me)

[2X]

[Verse 1]

I wanna make you moann
Do it all night long
Once I get you home
Baby girl it's on
I'm gonna kiss yo lips
Then I'm gonna raise yo slip
I'm gonna take your hand
And let you feel these ribs
I'm a winner?-, I'm a winner?-, I'm a winner?-,
I'm a winner in bed
Go to dinner?-, go to dinner?-, go to dinner?-,
Go to dinner in bed
Listen babe,

[Chorus]

There can only be one me(can't nobody can't nobody
do your body like me)

[2X]

[Verse 2]

I wanna show you love
From the bottom up
Once the light goes off
You can't get enough
I wanna be yo man
Not a one night stand
And if you take my hand
I bet 1 hundred grand
I'm a winner?-, I'm a winner?-, I'm a winner?-,
I'm a winner in bed, yes I am
Go to dinner?-, go to dinner?-, go to dinner?-,
And the dinner in bed, there can only be?-

[Chorus]

There can only be one me(can't nobody can't nobody

do your body like me)
[2X]

[Verse 3]

Girl open your dictionary look under love
And your gonna see my face
Come to bed right now lets cover up
Nothin' but sweat comin' between us in this place

[Chorus]

There can only be one me(can't nobody can't nobody
do your body like me)
[2X]

[Verse 4]

Do ya wanna be, do ya wanna be, do ya wanna be, do
ya wanna be?-
Wanna be with me tonight
Do ya wanna see, do ya wanna see, do ya wanna see,
do ya wanna see?-
How I'm gonna do yo body right
Do ya wanna go, do ya wanna go, do ya wanna go, do
ya wanna go?-
Go on a 12 play ride
You'll be goin' all out
Like a prom night
And you won't make it home
Cuz you realize

[Chorus]

There can only be one me(can't nobody can't nobody
do your body like me) [8X fade]
