Finally the weekend's come and everything is goin'
down
Nine to five and now it's time for me to get around
Good poppin', ain't no stoppin', everybody's in the
mood
Mind blowin' once you feel the music startin' to get to
you
Disco nights, party lights- it's all good for me

Chorus:

Thank God it's Friday, party lights, Friday nights
feelin'right
It's a party; thank God it's Friday
Party lights, Friday night feelin' right; it's a party

Throw your hands up if you're ready to get down and
jam tonight
Music's got ya jumpin' and you're feeling not a care
tonight
Keep goin', don't you stop, just let this volume get in
you
Take some time out for yourself and let this Friday get
to you
Disco nights, party lights- it's all good for me

Chorus

Oh god, thank you for Friday; oh thank you heavenly
Father
Oooh so many people lookin', lookin' for the spot
There's a party over here
So many people lokin' for the party spot
If you find it, let me know and I'll be there until I drop
Valet parking at the club- it lets you know it's Friday
night
People swayin', music playin' and this weekend feels so
right,yeah

Chorus

My sistas, enjoy your weekend and may God bless all

of you
