I was in a tunnel  
And couldn't see the light  
And whenever I'd look up  
I couldn't see the sky  
Sometimes when I'm standin'  
It seems like I done walked for miles  
And my heart could be cryin'  
Dead in the middle of a smile

But then I climbed the hills  
And saw the mountains  
I hollered help 'cause I was lost  
Then I felt the strong wind  
Heard a small voice sayin'

The storm is over  
(The storm is over now)  
And I can see the sunshine  
(Somewhere beyond the clouds)  
I feel Heaven, yeah  
(Heaven is over me)  
Come on and set me free, whoa

Now in the midst of my battle  
All hope was gone  
Downtown in a rushed crowd  
And felt all alone  
And every now and then  
I felt like I would lose my mind  
I've been racin' for years  
And still no finish line, oh

But then I climbed the hills  
And saw the mountains (Mountains)  
I hollered help 'cause I was lost  
Then I felt the strong wind  
And then a small voice sayin'

The storm is over  
(The storm is over now)  
And I can see the sunshine

(Somewhere beyond the clouds)  
I can feel Heaven, yeah  
(Heaven is over me)

Come on and set me free

Somehow my beginning stepped right in (Right in)  
Then faith became my friend (My friend)  
And now I can depend  
On the voices of the wind  
When it's sayin' (Sayin')

The storm is over  
(The storm is over now)  
And I can see the sunshine  
(Somewhere beyond the clouds)  
I can feel Heaven, yeah  
(Heaven is over me)

Won't you come and set me free  
Won't you set me free

The storm is over  
(The storm is over now)  
And I can see the sunshine  
(Somewhere beyond the clouds)  
I can feel Heaven, yeah  
(Heaven is over me) Won't you come and set me free  
[Ad lib until fade]
