I am a mountain
I am a tall tree
oooooh, I am a swift wind,
Sweepin' the country

I am a river,
Down in the valley
oooooh, I am a vision
And I can see clearly

If anybody asks you who I am
Just stand up tall
Look 'em in the face and say

I'm that star up in the sky
I'm that mountain peak up high
Hey I made it, mmmmmm
I'm the world's greatest

And I'm that little bit of hope
When my back's against the ropes
I can feel it, mmmmmm
I'm the world's greatest
(the worlds greatest, worlds greatest , for ever)

I am a giant
I am an eagle
ooh, I am a lion
Down in the jungle

I am a marchin' band
I am the people
ooh, I am a helping hand
I am a hero

If anybody asks you who I am
Just stand up tall
Look 'em in the face and say

I'm that star up in the sky
I'm that mountain peak up high

Hey I made it, mmm
I'm the world's greatest mmm

And I'm that little bit of hope
When my back's against the ropes
I can feel it, mmm
I'm the world's greatest

In the ring of life i'll rain love (i will rain)
and the world will notice a king (ooooohhhh yahhhh)
when theres darkness i'll shine a light (shine a light)
and views of success reflect in me

I'm that star up in the sky
I'm that mountain peak up high
Hey I made it, (said i made it)
I'm the world's greatest

(I'm that little bit)
And I'm that little bit of hope
When my back's against the ropes (i can)
I can feel it (feel it)
I'm the world's greatest

(Wooooooooooooooooo)
I'm that star up in the sky (star in the sky)
I'm that mountain peak up high (oh yes i am)
Hey i made it
I'm the worlds greatest

and i'm that little bite of hope (little bit of hope)
when my backs against the ropes (my backs against
the ropes)
i can feel it (I can feel)
I'm the worlds greatest

I'm that star up in the sky
I'm that mountain peak up high
hey i made it
I'm the worlds greatest

I'm that little bit of hope
when my backs against the ropes
i can feel it (now i can just feel it)
i'm the worlds greatest

he's the greatest (can u feel it)
Can u Feel it
He's the greatest (can u feel it)
can u feel it (and i'm so alive)
he's the greatest

can u feel it
he's the greatest
Can u feel it
