Yeah, I don't want you to hold back any longer baby  
Cause tonight, I'm gonna give you all the little things  
I know you've been waiting for  
So, brace yourself and listen

I hear you callin', "Here I come baby"  
To save you, oh oh  
Baby no more stallin'  
These hands have been longing to touch you baby  
And now that you've come around, to seein' it my way  
You won't regret it baby, and you surely won't forget it  
baby  
It's unbelievable how your body's calling for me  
I can just hear it callin' callin' for me

[1] - My Body's callin' for you  
My Body's callin' for You  
My Body's callin' for you  
My Body's callin' for You

Tell me, what's your desire  
Baby your wish is my deal oh yes it is baby  
Let me take you higher  
Show you how you should feel, baby  
Oh So we speak now and forever hold your body  
Whatever it is you want from me, baby  
You see you don't have to say nothing  
Knowing your body wants something  
And it's easy for me to see  
That your body's callin' for me

[Repeat 1]

I'm listening baby  
I hear you callin' me  
I'm listening baby  
I hear you callin' me  
I'm listening baby  
I hear you callin' me  
I'm listening baby  
I hear you callin' me [Repeat 1 until fade out]
