Girl you're like doing hard time
You're like a prison rodeo, hell you're a double tough
ride
You're hard on the heart, tough on the mind
A cancer to the soul, the end of my pride, so

I don't need your hard timin' love
I don't need your push and your shove
I don't need the blues I sing
Or the heartache that you bring
I don't need your hard timin' love

Son

Girl you've got me locked behind bars
You've got me down in a bottle, only heaven knows how
far
You're hard on the heart, tough on the mind
A cancer to the soul, the end of my pride, so

I don't need your hard timin' love
I don't need your push and your shove
I don't need the blues I sing
Or the heartache that you bring
I don't need your hard timin' love

Yeah I don't need your hard timin' love
I don't need your push and your shove
I don't need the blues I sing
Or the heartache that you bring
I don't need your hard timin' love

Yeah I don't need your hard timin' love
I don't need your push and your shove
I don't need the blues I sing
Or the heartache that you bring
I don't need your hard timin' love
Well I don't need your hard timin' love
Yeah I don't need your, I don't need your, I don't need
your

Love
