Everybody wants an Aryan Boy.  
Everybody wants a midnight toy;  
UNCUT and thick for you to enjoy.  
We like them young and a little COY.

Aryan Boy.

Everybody wants a nice, tight place;  
Two blue jewels on a pale, white face.  
The finest MEAT in the human race is Aryan Boy.

Aryan Boy makes me wary,  
Makes me feel sort of ordinary.  
Perfection can be kind of scary.

Everybody wants to know his name;  
The hottest fuck you'll ever tame.  
Notriety's akin to fame.  
Dont care if they look the same.

Aryan Boy.  
Follow the leader.

Everybody likes him going down,  
Stripped or gagged or leather bound,  
Maybe in the LOST and found.  
Sweet, full lips dont make a sound.

Aryan Boy.

Aryan taking over me,  
Masturbates my vanity.  
Strip me down so I can be like Aryan.
