tell me why  
you didn't know that you would be my girl  
i realized you denied all the love I felt for you  
and I am feeling so blue

ask me why  
my mind is blowing out just looking you  
my heart gets boom boom boom I'm so happy with you  
so baby take your time

come on girl just do it again  
be my pretty baby i'll be your macho man  
you're so lovely dressed to kill  
now we have the right to play this game, get closer

sexy sexy girl  
come on baby close your eyes and dream it again  
sexy sexy girl  
take me to the limit hit me you'll be my flame  
sexy sexy girl  
gimme all your love and passion kill me gain  
sexy sexy girl  
now i know your game don't hurt me sexy girl

sexy sexy sexy sexy sexy sexy sexy girl

day and night  
i dream your body dancing in the light  
my passion grows more and more  
my hot desire now is knocking knock at your door

let me try  
to feel the passion growing deep inside  
i feel alive watching you in the light  
my body is waiting for you babe this night

sexy sexy girl  
come on baby close your eyes and dream it again  
sexy sexy girl  
take me to the limit hit me you'll be my flame  
sexy sexy girl

gimme all your love and passion kill me gain  
sexy sexy girl  
now i know your game don't hurt me sexy girl
