It's alright, it's alright  
It's alright, ooh, let me tell you, it's alright, yes

Long as I know, long as I know that you love me  
Believe me, it's alright, oh yes

Ooh, it's alright, it's alright  
It's alright, Ooh, let me tell you, it's alright

Long as I know, long as I know that you love me  
Believe me, it's alright, oh yes

Well, my friends told me that you'd found somebody  
new  
Oh, they report to me every little thing that you do  
Long as you tell me that it's untrue  
Believe me it's alright, oh yes

One more thing I want you to know  
If you were ever wondering, if you wanted to know  
Just remember darling, i'm as near as your telephone,  
yes  
And if you need me, all you've got to do is just call me  
Believe me, it's alright, oh yes  
It's alright, it's alright, it's alright  
Oh, let me tell you, it's alright

Long as i know, long as I know that you love me  
Believe me, it's alright  
Well, you don't have to worry, it's alright  
It's alright, oh let me tell you...
