You try to walk all over me
All your shit I seem to take
Alone, I know, I see
You push me to the limit, I break

I can't take it anymore
I am getting out of here
I am running through the door
Of me there is... no more

I have stumbled where I stand
Let go of your hand
I am myself not your slave
I have ran, now I am brave
I am not your enemy
How could you let this be
Alone here I lay
And to you I will say...

I can't take it anymore
I am getting out of here
I am running through the door
Of me there is... no more

I have fallen
I am up
I was quiet
I erupt
Now that you have seen
The troubled side of me
I can't help it
I am real
And this is how I feel
Feelings no longer hide
I tell what I feel inside
And..

I can't take it anymore
I am getting out of here
I am running through the door
Of me there is... no more

I have stumbled
But I am up
I was quiet
I now erupt
This is who I really am
And I don't give a damn
I can't take it anymore
I am getting out of here
I can't take it anymore
I have been pushed through the door
You try to bring me down
Threw me all around
I have fallen to the ground
And I have gotten up
I can't take it anymore
I'm ready to erupt

[REPEAT 3x until Chorus FADES]

I can't take it anymore
I am getting out of here
I am running through the door
Of me there is... no more
