The Urge
"If I Were You"

verse:
saw you yesterday haow strange it was to meet you all
over again. best things in your past left and faded fast,
how strange it was how strange it was.
bridge:
I use to be what you were. I use to be what. Iuse to be
what you were I use to love:
chorus:
Maybe if I were you I maight hate my self too, maybe if
i were you.
verse:
put on your happy face and smile, stand there kind of
in style ohh yeah. Real thein from your past left and
faded fast how strange it was.
bridge:
chorus:x2
verse:I saw you yesterday how strange it was to meet
you all over again. The one thing from your past brings
you pieces fading fast.
