It's my turn to fly
Proving ground tonight
Try to be the best that I can
I've grown to be a man
Only human can understand
I fill my lungs with fear and I exhale

It's my turn to fly
Father, be with me tonight
I'm right on target
Keep the dream alive
It's my turn to fly
Gotta prove this tonight

Deep in 3043
The refugees survive
The whole of humanity lies in my hand
Give me the chance tonight
To prove to you what's in my eye
Bring us to victory
Dreams become reality

It's my turn to fly
Father, be with me tonight
I'm right on target
Keep the dream alive
It's my turn to fly
Gotta prove this tonight

It's my turn to fly
Father, be with me tonight
I'm right on target

It's my turn to fly
Father, be with me tonight
I'm right on target
Keep the dream alive
It's my turn to fly
Gotta prove this tonight

Lets do it tonight

It's my turn to fly
Father, be with me tonight
I'm right on target
Keep the dream alive
It's my turn to fly
Gotta prove this tonight

Dream alive

Lets do it
Lets do it do it do it
