Yeah. Yeah.

Lately I've been asking myself how I feel oh, ooh!
And I'm trying not to be too harsh. Have to do my part.
Woah, GO!

Take away, take away what I don't need, save the good
part please. Fade away, fade away.

Yeah. Back around once again, but I don't mind.
Took a chance on some friends. You might think I've
lost my mind.
Pound me with questions all the time, for you or anyone
else. COME ON!

Take away, take away what I don't need, save the good
part please. Fade away, fade away. Take away, take
away what I don't need, save the good part please.
Fade away, fade away.
Huuuuh!

Yeah. Lately, I've been asking myself how I feel oh,
ooh.
Yes I'm trying, oh, yes I'm trying.
Oh, ooh.
Take away, take away what I don't need, save the good
part please. Fade away, fade away. Take away, take
away what I don't need, save the good part please.
Fade away, fade away. Take away, take away what I
don't need, save the good part please. Fade away,
fade away.
Take away, ya. Oh take away, yaaaaa!
