We said goodbye, I can't be called
Why I had to go
Another day, another place
Blue skies sunny sides

I call you up to hear your voice
It turns me down, I love that sound
I'm with feelings to sing right now
But I'm home by

Oehhh, I wish you were here, yeah yeah, oehhh
Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh
Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh

Oh, there's many people around of me
But there is just one face I long to see
Yeah, I am stuck in this croudy room
But I only wanna be with you

Oh, I hope you know how I feel right now
I miss your love, I miss your smile
I'm even sick of this paradise
I'm home by

Oehhh, I wish you were here, yeah yeah, oehhh
Yeah, I said
Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh (don't
you know)
Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh

Some say I will get by
Some say time will fly by
Some say I'm a lucky one

Oh yeah

Some say I will get by
Some say time will fly by
Some say I'm a lucky one

Baby if you ever wonder (if you wonder)
You're wherever I go (ooh, yeah yeah)
You're wherever I go, ooh (don't you know)

Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh
(I tell you now) Baby, if you ever wonder
You're wherever I go, you're wherever I go, ooh
