HARBOR LIGHTS

I saw the harbor lights.

They only told me we were parting.

The same old harbor lights

that once brought you to me.

I watch'd the harbor lights.

How could I help if tears were starting?

Goodbye to tender nights

beside the silv ry sea.

I longed to hold you near and kiss you just once more

but you were on the ship and I was on the shore.

Now I know lonely nights

for all the while my heart is whisp ring

some other harbor lights

will steal your love from me.
