Words and Music by Biafra

Sunny Sunday at the amusement park

See the fat hands spill their pop

Oh babe - lots of flags and ballons

But someone sabotaged the roller coaster last night

Ran a turn and then it smashed right down

Thru the crowded haunted house below

Oh No

Human hamburger No

And it's Crushed little Kids

Crushed little Kids

Crushed little Kids

Adorn the boardwalk

See the tourists drop their jaws and cones

See the owners smell a big lawsuit

Oh Police! (call your lawyer first)

Make the witnesses go home

And they'll turn on the TV

And see the crushed little kids

Adorn the boardwalk
