Words and Music by Biafra

I kill children

I love to see them die

I kill children

And make their mamas cry

Crush 'em under my car

I wanna hear them scream

Feed 'em poison candy

To spoil their Halloween

So your're in the kids' ward

You're in there cos you're ill

How about some Pavulon

So I can see you chill

Time to hit the scool bus

I think I'll schoot the tires

Offer them a helping hand

Of open telephone wires

Ever wanted to die?

Of course you have

But I won't till I get my revenge

I don't wanna see people any more

Things I never ever saw before  
Make me see them for the shit they are  
Take as many as I can away with me  
Anyone can be king for a day  
So I kill children  
I love to see them die  
I kill children  
And make their mamas cry  
I bang their heads in doors  
I kill children  
Can hardly wait for yours.
