words & music by Biafra

You really like gorillas?

We've got just the pet for you

It's the way you're forced to act

To survive our schools

Make your whole life revolve around sports

Walk tough--don't act too smart

Be a mean machine

Then we'll let you get ahead

Jock-O-Rama--Save my soul

We're under the thumb of the Beef Patrol

The future of America is in their hands

Watch it roll over Niagara Falls

Pep rally in the holy temple

And you're forced to go

Masturbate en masse

With the favored religious cult

Cheerleaders yell--Ra Ra Team

From the locker room parades the prime beef

When archaeologists dig this up

They'll either laugh or cry

Jock-O-Rama--On the brain  
Redneck-a-thon driving me insane  
The future of America is in their hands  
Watch it roll over Niagara Falls  
Unzip that old-time religion  
On the almighty football field  
Beerbellies of all ages  
Come to watch the gladiators bleed  
"Now boys, this game ain't played for fun  
You're going out there to win  
How d'ya win?  
get out there  
And snap the other guy's knee!"  
Beat 'em up! Beat 'em up!  
Ra Ra Ra  
Snap those spinal cords  
Ha Ha Ha  
The star quarterback lies injured  
Unconscious on the football field  
Looks like his neck's been broken  
Seems to happen somewhere every year  
His mom and dad clutch themselves and cry  
Their favorite son will never walk again  
Coach says, "That boy gave a hundred percent  
What spirit

What a man"

But who cares?

Games over--Let's go get wasted man

To the 7-11, to the liquor store

Let's party all night and party some more

Another Trans-Am

Wrapped itself around a telephone pole

"I ain't drunk, officer

I just fell gettin' out of my car"

Don't worry about it, son

We were that way when we were young

You've got all the skills

To make a damn good businessman

Jock-O-Rama--that's the law

Come lick the butts of the Beef Patrol

If the future of America is handed to them

Watch it roll over Niagara Falls
