I finally found a job in a paper
Movin' barrels at a chemical plant
There's shiny-looking dust on my fingers
Goin' up my nose and into my lungs
It's the Kepone poisoning - Minamata
Kepone poisoning - Minamata
At the grimy Kepone Factory
Turning people into bonzai trees
Now I've got these splitting headaches
I can't quite get it up no more
I can't sleep and it's driving me crazy
I shake all day and I'm seeing double
Kepone poisoning - Minamata
Turning people into bonzai trees
Gonna go down your big metal building
Gonna slam right through your bright metal door
Gonna grap you by your sta-prest collar
And ram some kepone down your throat
The lawyer says 'That's the breaks, kid
Gonna gnarl and rot the rest of your life
If you don't sue, we'll give you a Trans-Am...'

That I'll never drive cos I shake all the time

'Cause of the Kepone poisoning

Minamata

At the grimy factory
