You call yourself the Moral Majority

We call ourself the people in the real world

Trying to rub us out, but we're going to survive

God must be dead if you're alive

You say, 'God loves you. Come and buy the Good News'

Then you buy the president and swimming pools

If Jesus don't save 'til we're lining your pockets

God must be dead if you're alive

Circus-tent con-men and Southern belle bunnies

Milk your emotions then they steal your money

It's the new dark ages with the fascists toting bibles

Cheap nostalgia for the Salem Witch Trials

Stodgy ayatollahs in their dobbble-knit ties

Burn lots of books so they can feed you their lies

Masturbating with a flag and a bible

God must be dead if you're alive

Blow it out your ass, Jerry Falwell

Blow it out your ass, Jesse Helms

Blow it out your ass, Ronald Reagan

What's wrong with a mind of my own?

You don't want abortions, you want battered children
You want to ban the pill as if that solves the problem
Now you wanna force us to pray in school
God must be dead if you're such a fool
You're planning for a war with or without Iran
Building a police state with the Klu Klux Klan
Pissed at your neighbour? Don't bother to nag
Pick up the phone and turn in a fag
Blow it out your ass, Terry Dolan
Blow it out your ass, Phyllis Schlafly
Ram it up your cunt, Anita
Cos God must be dead
If you're alive
God must be dead
If you're alive
