All religions make me wanna throw up
All religions make me sick
All religions make me wanna throw up
All religions suck
They all claim that they have the truth
That'll set you free
Just give 'em all your money and they'll set you free
Free for a fee
They all claim that they have 'the Answer'
When they don't even know the Question
They're just a bunch of liars
They just want your money
They just want your consciousness
All religions suck
All religions make me wanna throw up
All religions suck
All religions make me wanna BLEAH
They really make me sick
They really make me sick
They really make me sick
They really make me sick

They really make me sick

They really make me ILL
