I am Emperor Ronald Reagan
Born again with fascist cravings
Still, you made me president

Human rights will soon go 'way
I am now our Shah today
Now I command all of you
Now you're gonna pray in school
I'll make sure they're christian too

California Uber alles
California Uber alles
Uber alles California
Uber alles California

Klu Klux Klan will control you
Still you think it's natural
Nigger knockin' for the master race
Still you wear the happy face

You closed your eyes, can't happen here
Alexander Haig is near
Vietnam won't come back you say
Join the army or you will pay

California Uber alles
California Uber alles
Uber alles California
Uber alles California

Welcome to 1984
Are you ready for the Third World War?!?
You too will meet the secret police
They'll draft you and they'll jail your niece

You'll go quietly to boot camp
They'll shoot you dead, make you a man
Don't you worry, it's for a cause
Feeding global corporations' claws

Die on our brand new poison gas

El Salvador or Afghanistan
Making money for President Reagan
And all the friends of President Reagan

California Uber alles
California Uber alles
Uber alles California
Uber alles California
