Shiftwork, hard work  
Tired body, blue collar shirt and a baseball cap  
Union made  
He's hot, sweat drops  
round the clock the door never locks  
and the noise never stops night or day  
workin' 7 to 3, or 3 to 11, 11 to 7

Shirtwork, tough work  
for the busy convenience store clerk  
two feet that hurt and going insane  
she's mad, at some lad  
drove off and didn't pay for his gas  
and he won't the last, around the clock pain.  
workin' 7 to 3, or 3 to 11, 11 to 7

Talkin' 'bout a bunch of shiftwork  
a big ole pile of shiftwork  
7 to 3, or 3 to 11, 11 to 7

Well I worked shiftwork for 10 years  
man i hated that work then i made a break  
with the money i saved  
it took me to the beach  
to have a beer by the edge of the sea in this 'round-the-  
clock place  
i drank my money away  
we partied 7 to 3, 3 to 11, 11 to 7

I'm talkin' 'bout a bunch of shiftwork  
a big ole pile of shiftwork  
7 to 3, or 3 to 11, 11 to 7

Talkin' 'bout a bunch of shiftwork  
a big ole pile of shiftwork  
7 to 3, or 3 to 11, 11 to 7  
7 to 3, or 3 to 11, 11 to
