"Welcome To Heartlight"

I like the love
and I like the peaceful
I wish everyone I know could
stand in the heartlight

I hold the hand
I walk with the teacher
We welcome the morning
Singing together

Can you feel the love that's in my heart
Can you see the flame we got to start
Burning like a beacon in the night
Oh welcome to heartlight

Oh oooh heart of light
Oh welcome to heartlight

I'm like the rain
'Cause I like the thunder
I know we've learned to live together
Here in the heartlight

Stand in the dark
I'll light a candle
And then we'll dance it in the moonlight
Until the sunrise
