I may run and hide when you're screamin' my name,
alright
But let me tell you now there are prices to fame, alright

All of our time spent in flashes of light

All you people can't you see, can't you see (all you
people)
How your love's affecting our reality (reality)
Every time we're down, you can make it right
And that makes you larger than life

Alright!

Looking at the crowd and I see your body swing, come
on
Wishin' I could thank you in a different way, come on

All of your time spent keeps us alive

All you people can't you see, can't you see (all you
people)
How your love's affecting our reality (reality)
Every time we're down, you can make it right
And that makes you larger, that makes you larger than
life

All of your time spent keeps us alive

All you people can't you see, can't you see
How your love's affecting our reality
Every time we're down, you can make it right
And that makes you larger than...

All you people can't you see, can't you see (all you
people)
How your love's affecting our reality (reality)
Every time we're down, you can make it right
And that makes you larger than...

All you people can't you see, can't you see (all you

people)
How your love's affecting our reality (reality)
Every time we're down, you can make it right
And that makes you larger, that makes you larger, that
makes you larger than...
