Drowning in this toilet of shit they call life Work like hell  
at Taco Bell for  
\$4.25 an hour No one gives a squirt of piss if you  
fucking die So seize the  
day by the balls, and squeeze until it's on it's knees  
And now we dance like  
soldiers on the battlefield the only triumph in a moment  
of glory Crack your  
head open and sue somebody Cop a feel on a punk  
rock girl in bondage pants  
And Now We Dance You are just a speck in a universe  
of turds Silenced by  
conspirators, not another word. With ozone trees  
depleted, you choke on  
malathion.nothing fucking matters, so what's the use in  
tryin'? And now we  
dance like warriors on the victory trail only triumph in a  
moment of glory  
Crack your head open and sue somebody Come on and  
do push ups just like Jack  
Pallance And Now We Dance Never join the ranks of the  
kiss ass suit and tie  
or the stinking hippie, the future is worth a lie,  
nothing's worth a fuck, a  
fuck ain't worth a shit we're only gonna die, here's how  
we deal with it And  
Now We Dance like warriors on the battlefield only  
triumph in a moment of  
glory Crack your head open and sue somebody Cop a  
feel on a punk rock girl in  
bondage pants And Now We Dance we dance like  
warriors on the battlefield only  
triumph in a moment of glory Crack your head open  
and sue somebody Come on  
and do one handed push ups like Jack Pallance And  
Now We Dance
