Watching her at the mall she don't know me at all -  
Hope no employee over hears - Think I'm in love with  
you Red, Yellow, White, & Blue - Seems I've been  
watching her for years, - It brings a smile to my face as  
she hops with style and grace - Way beyond 9 to 5,  
she's keeping hope alive - Cafe 405 - I'd always keep  
her warm in that silly uniform - Tell her every day that  
she's the best - Just wanna be with her, I'd never chat  
on her - Wit someone at Panda Express - And nothing  
else makes me tick like when she's on that Pogo Stick - I  
wish I wasn't afraid, she's making lemonade - One day  
our love will arrive, so glad to be alive - I'm always  
flattered when my hot dog's gettin' battered - She's  
gettin' better at it every day - Shopping mall renegade,  
she's makin' lemonade
