I don't wanna change my pants Not gonna change my
panst Never change... I'm on
fire tonight my pants are fitting right Gonna rock & roll
tonight, alright I
don't wanna change my pants Never change... I'm back
in brown again they are
my trusted friend You said they looked good last week
so I wore 'em again
today I don't wanna chnage my pants Not gonna
change my pants Never change...
You can change my shirt, you can change my mind, but
don't fuck with my pants
These pants represent a symbol of my individuality and
my belief in personal
freedom Come on I'll show you how pants don't fail me
now wanna make sweet
love to you...pants I don't wanna change my pants Not
gonna change my pants
Never change... Every guy grab a girl everywhere
around the world Don't change
your pants, never change your pants It's Saturday night
I'm feelin' alright
Don't change your pants, never change your pants Got
a monkey on my back Don't
change your pants, never change your pants Baby
(x16) You know I'm born to
lose, 'cause gamblin's for fools Don't change your
pants Walkin' down the
street, everyone I meet Don't change your pants, never
change your pants etc.
