There's all these angry guys
Screaming about their pain in other lives
It seems so convincing that I am convinced they are

Full of shit just saying it, saying it
Cos they think their supposed to
Just deal with it cos everyone, everyone
Had a crappy childhood
It's not special

[Chorus]
Just count to ten
I take it you'll get past
Or be a Christian
it's not working
what your doing

there once was this guy
who went to jail for something he didn't do
he got raped thirty times and died before the night was
through

just be glad for everything, everything
at least your legs work
Just deal with it cos everyone, everyone
Had a crappy childhood
At the very least

[Chorus]
Just count to ten
I take it you'll get past
Or be a Christian
it's not working
what your doing

[Chorus]
Just count to ten
I take it you'll get past
Or be a Christian
It's not working
What you're doing
It's not working

What your doing
