I know it's just a figure of speech - but if your breath
and your clothes are bad - your destined to teach - I
see the president - I see Lincoln - what the hell was
43% of this place thinking - we watch the shuttle launch
- read J.D. Salinger - I know one teacher I wish was on
the Challenger - How- How- How- How- How- How- - How
did this loser get this job? - check his references, -
that's all I'm saying - I think my parents deserve more -
for what their paying - he works till 3:00 - it's such a
racket - all you need are Dockers and - a Members Only
jacket - How- How- How- How- How- How- - How did this
loser get this job? - unprepared, - drunk you swindle
academe - all you wanna do - is wrestle with the
football team - pass out towels like communion - you're
protected by the kid molesters union - How- How- How-
How- How- How- - How did this loser get this job?
