Alright

I saw this girl and she drove me wild  
She looked at me and I looked and smiled  
The cutest girl you could ever see  
I never dreamed that she'd go out with me

We met at school so I asked her out  
The only girl I ever thought about  
She's sixteen and she's so divine  
I never thought that I could make her mine

I'm in love, I just can't wait  
Tonight I have a date  
I have a date with the cutest girl in town  
I have a date, and I'm the happiest boy around

I'm in love, I just can't wait  
'Cause tonight I have a date, yeah

Went to the movies in my parents car  
I never dreamed that I would get that far  
I picked her up at a quarter to eight  
I got there early, didn't want to be late

I never dreamed it would come to this  
I drove her home and she gave me a kiss  
I'm in love and it's here to stay  
She said she really wants to see me again

I'm in love, I just can't wait  
Tonight I have a date  
I have a date with the cutest girl in town  
I have a date, and I'm the happiest boy around

I'm in love, I just can't wait  
'Cause tonight I have a date  
I have a date, I have a date, yeah, I have a date

I'm in love, I just can't wait  
Because tonight I have a date  
I have a date
