Johnny Twobags doesn't have the blues and it makes  
him sad Brings him down  
But not down enough to have the blues He's too white  
to have the blues He  
thinks he should be black to have the blues He's too  
green to sing the blues  
and Orange County ain't a breeding ground for blues  
Oh Johnny do shut up, I  
know you think you got it rough You say your life is  
hard Well you didn't  
spend your life stealin' chickens from the rich folks  
yard Don't play me for  
a fool. Even if your band gets dropped from Dr. Dream  
Chorus: You ain't black  
and you ain't blind You're girlfriend's not the cheating  
kind Well you're  
cleaned up and you're off the booze Maybe you weren't  
meant to sing the blues  
Ken is struck in a wheel chair His spine is bent beyond  
repair He's not  
singin' the blues He's too white to have the blues He  
thinks he should be  
black to have the blues He's too green to sing the blues  
and Orange County  
ain't a breeding ground for blues Chorus You don't  
have to pay no dues or be  
born to lose Alot of people would kill to be in your shoes  
Maybe you weren't  
meant to sing the blues
