Johnny Twobags doesn't have the blues  
And it makes him sad Brings him down  
But not down enough to have the blues

He's too white to have the blues  
He thinks he should be black to have the blues  
He's too green to sing the blues  
And Orange County ain't a breeding ground for blues

Oh Johnny do shut up, I know you think you got it rough  
You say your life is hard  
Well you didn't spend your days stealin' chickens from  
the rich folks yard

Don't play me for a fool.  
Your dad wasn't traded for a mule.  
Do you know what I mean  
Even if your band gets dropped from Dr. Dream

You ain't black and you ain't blind  
You're girlfriend's not the cheating kind  
Well you're cleaned up and you're off the booze  
Maybe you weren't meant to sing the blues

Ken is stuck in a wheel chair  
His spine is bent beyond repair  
He's not singin' the blues  
And you never even wore orthopaedic shoes

So at school you might have failed  
But there's men being raped in jail  
They should be singing the blue  
And I'm starting to think that you haven't paid your  
dues

You ain't black and you ain't blind  
You're girlfriend's not the cheating kind  
Well you're cleaned up and you're off the booze  
Maybe you weren't meant to sing the blues

He's too white to have the blues  
He thinks he should be black to have the blues

He's too green to sing the blues  
And Orange County ain't a breeding ground for blues

It's ok, so don't be sad  
That your not sad  
Cause your still rad  
To me

Johnny Twobags doesn't have the blues  
And it makes him sad Brings him down  
But not down enough to have the blues

He's too white to have the blues  
He thinks he should be black to have the blues  
He's too green to sing the blues  
And Orange County ain't a breeding ground for blues

You ain't black and you ain't blind  
You're girlfriend's not the cheating kind  
Well you're cleaned up and you're off the booze  
Maybe you weren't meant to sing the blues

It's ok, so don't be sad  
That your sad  
Cause your still rad  
To me

You don't have to pay no dues or be born to lose  
Alot of people would kill to be in your shoes  
Maybe you weren't meant to sing the blues
