Well I asked about him, that long hair, and those curls
She said he's just a nice guy, likes to hang out with the
girls
Well I didn't think twice about him- I just figured him for
gay
I sure had him pegged right wrong he stole my girl
away
I told her I don't give a damn Bon Jovi's finally here
I'm not about to miss the Laker game to see that long
haired queer
But you go on ahead why don't you take that little freak
That was my first mistake- she didn't come back for a
week
He's a long hair havin', back stabbin', lyin', cheatin',
dirty little freakin', get along-with-the-girl-lookin' fool
Well that silly little freak, I'd like to give him a beatin'
Left me standin' her like a fool
She took me to a party where she said there'd be a few
kegs
More like winecooler drinkin' make-up sportin' Bauhaus
stickers with legs
"Have you heard Gene Loves Jezebel?" I said, "Ask me
if I care,
All I know is Joni Loves Chachi," then I hit him with my
chair
So if your honey fancies hippies well here's all you
need to know
Stay clear of L.A. Guns & Roses, take her to a Vandals
show
Our suicidal bros will bum her out 'till she just can't
hang
And you can party with a skinhead fox with tiny little
bangs
I feel like yankin' out his curls for hangin' out with girls
Left me standin' here like a fool
