The city council met last night the vote was one to six  
Denying access to our  
town by TV's "G.E. Smith" The Mayor cited nightmares  
had by his daughter  
Eileen She dreamed that ugly fucker's face popped out  
the friggin' screen  
Chorus: They said no, they said no way. Not in my Back  
yard he can not stay  
That eyesore is a stain upon our nation If you think he's  
livin' by me there's  
no way G.E. felt the set back but refusing to surrender  
He bought a house  
disguised as the guitarist of the Pretenders But at the  
party we like to throw  
for new homeowners we caught him when he couldn't  
play the lead from "Tattooed  
Love Boys" Chorus A man has got the right to  
homestead anywhere he can but  
that just begs the question, What exactly is a man?  
Blond Frankenstein with  
Dutchboy hair would hardly qualify So we must live free  
of this Hall & Oats  
reject or die Chorus
