"Soup Of The Day"

Soup of the day. Flavor of the month.
Stain in your pants from your bleeding cup.
Sell out! Buy in! Never gonna change! Cash out now
buy a home on the range.
18 years, I'm still punk. Going back and forth you silly
little fuck!
When it goes away, I still stay. No I won't go away not
the soup of the day.
Money is good whe it comes your way. Take it now it's
your day.
Take it before it goes away. Pay day! Pay day! Get out
quick.
It sure beats selling your dick.
I had a dream, a terrible thing like a fucking pig
grabbing at a brass ring.
Gimme mine! Got mine! Constant pain with a shotgun
remove your brain.
Don't care a fuck about the flavor of the month Soup of
the day.
