Hey!
Woah!
Hey!
Woah!
Hey!
Woah!
Hey!
Woah!
Well, you see you can't take the world and grab it by
the tail.
Put it in your pocket and then you wanna watch it fail.
God damn the odds ÂfÂçâ,¬" I'm still alive, and I will
thrive.
You see the winner is a man who doesn't understand
the meaning of ÂfÂçâ,¬Ã..."NOÃfÂçâ,¬Ã,Â[] and he
always has a plan.
I'm half way there.
God dammit I will try.
Hey!
Woah!
Don't say (Hey!) impossible (Woah!)
We'll make (Hey!) a miracle (Woah!)
At least do (Hey!) the least you can do (Woah!)
We'll (Hey!) do the least we can do.
They say a dream's just a dream.
But it's just the other team tryin' to steal the flag, while
I'm caught up in the scheme.
Put your hands on your ears and scream
ÂfÂçâ,¬Ã..."God dammit I will tryÃfÂçâ,¬Ã,Â[]
They say you can't make an amputee dance around in
glee.
You'll never save a life with psychic surgery.
There's power in belief.
And God Dammit I will try.
Hey!
Woah!
Don't say (Hey!) impossible (Woah!)
We'll make (Hey!) a miracle (Woah!)
At least do (Hey!) the least you can do (Woah!)
We'll (Hey!) do the least we can do.
Hey! C'mon! Who let the dogs out?
Woah-oh woah-oh-ohh woah-oh you say impossible

we'll woah-oh-ohh make a miracle.
To the sayers of nay - Get the fuck away
OK!
We're here! Don't fear!
Get used to it. I'm gonna try.
They say you can' take the world and grab it by the tail,
put it in your pocket, then you wanna watch it fail.
God damn the odds. I'm still alive.
Don't say impossible.
