Supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

So then I was afraid to speak  
When I was just a lad  
My father gave my nose a tweak  
And told me I was bad

But then one day, I learned a word  
To save my aching nose  
The biggest word, you've ever heard  
And this is how it goes

Supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

Supercalifragilisticexpialidocious  
Even though the sound of it  
Is something quite atrocious  
If you say it loud enough  
You'll always sound precocious  
Supercalifragilisticexpialidocious

I traveled all around the world  
And everywhere I went  
I used this word in all I say  
[Incomprehensible]  
I say my special word  
And then they ask me out for tea
